

INSTRUCTIONS HOW TO FILL AND LOCK CHOICES – POST PG BOND –SR COUNSELING

Kind Attention:-

To login for choice filling and locking, OTP will be required and system generate OTP will be sent to the Mobile Number mentioned against the Candidate in the data set / Merit List. If anybody has given any Mobile number, either wrong one (9 digit or 11 digit) or invalid mobile numbers, then he/she will be deprived from getting the OTP. Besides, if the candidate has DND (Do not disturb) facility activated in his /her mobile number, in that case also, there is the possibility of not getting the OTP in the given mobile number. Alternatively, OTP cannot be sent to the e-mail address, as in most of the cases, while the data of PG candidates were submitted by respective Institutions, e-mail ID has been left. So, the only method is to sent OTP is through Mobile SMS only. If any candidate, want to change their Mobile Number, they can approach the Post PG cell of DMET office with requisite documents as instructed by the cell.

Step-1

- (a) Click on the Link- Log In for Choice Fill / Lock
- (b) Put/ Enter your NEET roll Number
- (c) Then click Confirm
- (d) a 4 digit OTP will be sent to your Mobile Number
- (e) Then enter the OTP
- (f) then enter the Capcha as shown in the figure
- (g) Then click Login

The screenshot displays the 'Choice Filling / Locking for Post-PG-Bond Placement' login interface. The browser window shows the URL 'dmetodisha.in/POST_PG_BOND/ChoiceFilling/CandidateLogin.aspx'. The page title is 'Choice Filling / Locking for Post-PG-Bond Placement'. The 'Choice Filling Login' section contains a text input field for 'Enter Your NEET Roll No' and a 'Confirm' button. Below this, the 'Enter Your OTP Sent to Your Mobile No' section shows a 4-digit OTP '*****0400' and a 'Confirm' button. At the bottom, the 'Enter Capcha' section shows a CAPTCHA image and a 'Login' button. The Windows taskbar at the bottom shows the date '10-01-2026' and time '00:58'.

Step-2

- (a) After Login the following like page will be shown which is the control panel page of the Candidate
- (b) In the Top header, you can cross check NEET Roll No, Institution of Study, Name, NEET Score, NEET Rank, Mobile Number, Year of Admission and Type (Category) of the candidate like whether the candidate belongs to the Direct Category or In-service Category and discipline wise merit.
- (c) In the left had side Menu Bar, you can see there are the options of Change Password, Available of Seats, Filling Choices, Choice Filling Preview, Print Choice fill details and Logout.
- (d) **The first and foremost assignment is to Change the Password (Create the Password) as from next time Logins the OTP option may not be available. So, need to Create the Password first.**
- (e) You can create your own password and retype the Password again and Click the button- Change Password.

The screenshot shows a web browser window with the URL dmetodisha.in/POST_PG_BOND/ChoiceFilling/Home.aspx. The page title is "Choice Filling / Locking for Post-PG-Bond Placement". On the left is a blue sidebar menu with the "POST PG BOND" logo and the following options: Dashboard, Change Password, Available Seats, Filling Choices, Choice Filling Preview, Print Choice Fill Details, and Logout. The main content area displays the candidate's details in a table-like format:

NEET ROLL NO :	[REDACTED]	Institution Of Study :	SCB MCH, CUTTACK

Year of Admission	2022	Category :	DIR
Discipline wise Merit	1		

Below the details is a line of asterisks. At the bottom right, there is a watermark that says "Activate Windows Go to Settings to activate Windows."

The screenshot shows the same web browser window but with the URL dmetodisha.in/POST_PG_BOND/ChoiceFilling/ChangePassowrd.aspx. The sidebar menu is identical. The main content area is titled "Choice Filling / Locking for Post-PG-Bond Placement" and shows the same candidate details as the previous page. Below the details is a line of asterisks. There are two input fields for password creation:

Enter New Password :

Retype Password :

Below these fields are two buttons: "Change Password" (green) and "Cancel" (red). At the bottom right, there is a watermark that says "Activate Windows Go to Settings to activate Windows."

Step-3

- (a) Then click on the Link- Available Seats
- (b) **Here you are requested to Check the Seats that matches with the Vacancy published by the DET office and if any deviation found out, this may be communicated immediately to the Post PG cell of DMET office through e-mail – dmetpostpg@gmail.com with a copy to the technical Team- dmethelpline@gmail.com**

Step-4

- If found the Available Seats are matching with that of the Vacancy positions published by the DMET office, then click the left side link- Filling
- Like the below figure screen, you will be redirected to the following like page. In which, in the left side section, you will find the available Choices and the right block remain as blank, as no choices have been filled before.
- Then you need to fill choices one by one from left side of available choices box and it is mandatory to select all the available choices shown in left side.**
- Once you will select Choices one by one, you will find the selected choices will be moved from left side Available Choice box to the Right side- Total Submitted Choices. And the number of choices from left side will be decreased one by one while the Right hand side submitted choices will be increased one by one.**
- Fill the choices as per your preference, means select choices serially your preference wise starting from 1st preference to the last preference.**
- In right side, to cross check the Preference of your Choices, please check the Choice No against which Serial like 1-2-3 etc are mentioned.**
- if you fill the given preference of the choice is wrong, then you can move the preference rank of your given choice by clicking on the Upward arrow / downward arrow or you may delete the choices by clicking the red delete symbol and can give fresh choices.**
- Once the choice is deleted, the choice from the right section, submitted choice section will be reduced by one and the choice will be back to the left side of available choices by increasing the number of choices with one.**
- Since the right side submitted choice section is visually a small size window, you can scroll the below scroll bar to view the Upward / downward/ delete options.**
- One by one, while filling Choices (default it is mandatory to give all choices from left side section Total Available Choices), all choices should be filled and the left side Available choice section should be Zero. If anyone fails to give all choices and does not get allotted to the given choices, then the system will automatically allot to the rest available choices and no grievances will be considered regarding this.**
- Once all the left side choices are selected and left side available choice section become blank, and all choices reflected in Submitted Choice section, the Choice filling is said to be over.**
